DETAILED ACTION

Applicant's response filed on 03/27/2007 in response to office action mailed on 09/29/2006 has been acknowledged.

Claims 1-9, 12-178, 180, and 183-186 are cancelled.

Claims 10-11 and 181-182 are amended.

Claims 187-196 are newly added.

Claims 10-11, 179, 181-182 and 187-196 are pending and are examined in this office action.

Applicants are required to follow Amendment Practice under revised 37 CFR §1.121. The fax phone numbers for the organization where this application or proceeding is assigned is 571-273-8300.

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action. Rejections and/or objections not reiterated from previous office actions are hereby withdrawn. The references cited herein are of record in a prior Office action.

Claim Rejections - 35 USC § 112

Claim 10, 11, 189 and their dependent claims 179, 181-182, 187-188 and 190-196 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 10,11 and 189 recite the phrase "agents that modulate hepatocellular carcinoma" which makes the claim indefinite. It is unclear what is modulated in hepatocellular carcinoma in this context. A remedial measure would require indicating what aspect/s of said "hepatocellular carcinoma" is/are modulated in this context (for e. g., growth, development, metastasis, proliferation etc).

Conclusion:

No claim allowed.

Art Unit: 1633

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
